

FamilyLine

Incorporated LBG

Organisational Summary

Organizational Summary

FamilyLine Incorporated is an NGO registered under the Ghana Company Act, 2019 (Act 992).

Vision: Equipping young people and nurturing talents.

Mission: Inspiring young people to nurture their potentials and helping them to grow their God-given potentials irrespective of their physical abilities or gender.

Membership: Open to professionals interested in achieving the vision and mission. Current members include professionals from Ghana and Germany.

Project Areas include: Education, health and environmental advocacy, exchanges/tours, internships and charity.

FamilyLine is dedicated to equipping young people, nurturing talents, and fostering growth of young people.

This we do through periodic conferences, training, and engaging activities such as outreaches.

Projects done so far...

The clean hand and Feet Conference:

FamilyLine organized a clean hand and feet conference where resource persons took participants through the ethics of proper hand and feet cleaning by nurses from the SDA hospital, Sunyani.

Oral Hygiene Outreach

Together with Colgate Ghana and health professional from Berekum Holy Family Hospital an oral health outreach was organized for 3000 teachers and pupils of selected Basic Schools in Berekum.

The clean home project

This is where clients of FamilyLine are taught to practice proper cleaning practices in their homes.

The Tree Planting Project

FamilyLine planted trees as a project work for clients in line with the green Ghana project of the government of Ghana.
